2:30 pm	Winner Pool A vs Winner Pool B			

After round robin, the top team from each Pool goes to the Championship finals.

NOTE: Game balls will be provided (1 per game). Please try to retrieve any balls that are hit over the fence.

- The first teams listed on the schedule will set up diamonds 4, 5, 6 and 7 for the 8:30 games. They will then have the choice of Home or Visitors. Please have the diamonds set up by 8:15 so we can start on time.
- Home team for all other games will be decided by a coin toss.
- All teams should have their bases with them in case a team that has set up the diamond finishes early.
- Games will be 7 innings or 1 hour and 30 minutes from the designated start time. If you start late, you will have less game time, as you must clear the field 5 minutes before the next start time.
- Please clear the field quickly so the next game can commence.
- The last inning (7th) is open but you can't go over the time limit. If time runs out before an inning is completed, the score reverts back to the last completed inning.
- You are allowed maximum of 7 runs/inning.
- Round Robin games can end in a tie. 2 Points will be awarded for a win and 1 point for a tie.
